FACILITY DETAILS:

LIBRARY: A library facility with reading cum reference room is available in the department. The collections of over 1500 books with titles among various disciplines of computer science are available for MCA and Research students. The library has special collection of 11 volumes of IT Encyclopedia. The library has subscriptions to latest computer science magazine (eight) and research journals (three). At present, four news papers (Daily) are subscribed. The employment news (weekly) is also subscribed. The following services are provided by the library:

- We give books kit among four students, which they can carry throughout the semester.
- We provide current awareness service.
- We give interlibrary loan service to other departments & employees of the university.

COMPUTATIONAL FACILITY:- The department has two computer laboratories for practical (30 Computers) and internet (30 computers). There are additional computers for faculty, research, library and administration. All the PCs are connected to servers by two ways: Ethernet LAN (wired) and WiFi (Wireless). For the internet, Department has unlimited Broadband Internet connection of 512 kbps speed. All the students are given internet facility on daily bases. They have maximum 80MB internet utilization per month.

HOSTEL FACILITY: MCA students are given accommodation in PG hostels of the University. There is a Boys PG Hostel and a Girls PG Hostel in the University campus.

OTHER FACILITIES: Video Conferencing facility, Dish antenna for EDUSAT, Multimedia projectors, 5KVA & 10 KVA uninterrupted power supply units.

Placement Activities: Placement activity at the department has been highly professional and successful due to the integrated approach of students, faculty and excellent support from the industry. It is a matter of great pride for the department to have most of the past students well placed in the best of the company's world over. Some of the companies who have recruited our students are: Sun Microsystems (USA), NASA (USA), Oracle, Infosys, Microsoft, TCS , Patni Computer systems, Impetus etc. The department has produced 18 batches of MCA and has a strong alumni spread world over. The 19th batch of MCA will roll out in July 2009.

Research : Department of Computer Science, Gujarat University is one of the earliest and among very few Computer Science Departments in Gujarat to introduce Ph.D Programme. Currently there are two recognized Ph.D. Guides in the subject of Computer Science at the Gujarat University :

(1) Dr. Savita R. Gandhi, Professor & Head (2) Dr. Jyoti S. Pareek, Reader

Many scholars are pursuing research under them.

Department also conducts number of teachers training programs, state and national level seminars and symposiums on regular basis.

Strength of the Department : The Department of Computer Science, within a short span of twenty-five years, has built a versatile system to train IT professionals and entrepreneurs who have succeeded in today's exceedingly competitive and rapidly changing environment. The department aims to inculcate in the students a culture characterized by integrity, mutual respect, enthusiasm and hard work. The students co-operate and compete to acquire a thorough knowledge of today's Computer Technology and to carve a niche in the IT industry. The family consisting of students and teachers work in a perfect camaraderie to achieve this goal.
